Gold Hydralifting Facial

To strengthen and hydrate, this treatment starts with a double application of Hungarian Moor mud, which cleanses, exfoliates, and peels. A rose-scented gold mask then distributes hyaluronic acid in three different forms to the skin while bio-available gold repairs micro-damage. The traditional Hungarian facial massage lifts and firms and a sprinkling of gold shimmer oil adds subtle sparkle to arms and décolleté.

Mineral-rich Hungarian Moor mud detoxifies and draws out impurities for deep cleansing.
