

We are passionate about providing our guests with a most luxurious and relaxing escape.

For the safety and comfort of all our guests, we kindly ask that you review and agree to the following:

There are a few guidelines that apply to your dog's stay. We accept medium sized dogs (size of a Beagle) or smaller. A maximum of two (2) dogs per guestroom, per stay are permitted with a non-refundable \$200 fee. Animals of any other species are not permitted. For the comfort of our guests, we ask that you always keep your dog quiet. In the event that our Security Department is asked to contact you more than once as the result of your dog being disruptive, we will assist you in making arrangements for your dog to stay at an offsite boarding facility for the remainder of your visit.

While it is acceptable for your dog to accompany you through the hotel lobby and other public areas of the hotel, Health Department regulations require your dog not remain in those areas or visit any of our restaurants/bars, pool area, the Spa, or Fitness Center.

Housekeeping service should be set for when your pet will not be present in the room, otherwise you will not receive service.

The hotel will not be responsible for any liability involving your dog with respect to property damages, injuries, or any other incident.

When you confirm your reservation, you will receive information with additional details pertaining to your dog's stay.

Please register your dog prior to checking into your room. At that time, we will require signature of the dog agreement. A \$200 non-refundable dog fee, per room, will be assessed during your stay with us.
